#### THE COVER

August brings the possibility of late summer holidays, warm weather at the lake (the picture is of Clearwater Bay, Lake of the Woods) and the pleasant shade of pines — but clouds are forming and we look forward to fall. Plans must be made for winter. How grateful we are for our climate of contrasts!

# HONoured ON THEIR RETIREMENT

**MR. JAMES ALLEN**

Mr. James Allen, popular and successful salesman in Women's Shoes, retired on Saturday, July 30, after working 30 years in that department. He is married, has three daughters and one son and seven grandchildren. Mr. Allen plans to stay in Winnipeg and looks forward to having a holiday in and around the city. He is interested in gardening and wood-working but claims now to be a sport spectator only, though previously active.

An Easy-Boy rocker was presented to Mr. Allen by his department with good wishes for his future. In September, when the holidays are over, the department plans a party to mark this occasion. We all join in wishing Mr. Allen good health, good fortune and a long and happy retirement.

**MISS MARJORIE CARR-LAWTON**

Miss Marjorie Carr-Lawton, who retired on Thursday, July 28, from the Books and Stationery Department, had been 34 years with that department and a Signature for many years. Marjorie was born in Southport, England, but came to Canada at 10 and grew up here. Before joining the Company she had worked for the Bank of Commerce for eight years, partly in her home town of Gladstone and later at Grandview. Marjorie's plans include making Winnipeg her home but, being fond of travel, we expect to hear of some fine trips in the near future. She has been a tennis player, golfer and curler, but is not too active in these sports now. She is a member of Holy Trinity Church.

On her retirement day Marj's desk was decorated and loaded with gifts presented by her many admiring co-workers. Her department gave her a step-table and lamp. We noted also a handsome black hand bag, a transistor radio, lingerie, a clock and many other articles, accompanied by cards indicating the high esteem in which she is held. On Thursday night her friends gave her a rousing party. We all join in wishing Miss Carr-Lawton long years of good health and happiness.

**MR. EVAN C. (Cy) ROWLAND**

Mr. Cy Rowland of the Washing Machine Repairs, retired on June 25 after 30 years of service with the Company. He was a salesman with the Washing Machine Department for nine years before going into the Repair Department. He served for three years in the 1914-18 war, seeing action in France with the 15th Highlanders. He is married, has three daughters and four grandchildren.

Mr. Rowland is a member of the Transcona Golf Club, the Fort Osborne Lodge of the Masonic Order, and No. 1 Canadian Legion. He is interested in movie photography.

Marking his retirement his department presented him with a Sunbeam toaster for which he wishes us to express his thanks. We wish him good health and happiness in the years ahead.

**MISS HAZEL L. CORY**

Miss Hazel Cory retired from the M.O. Correspondence Department on Friday, July 29, after 21 years of service. She was in the M.O. Salesroom at first and has been doing her present work for the past 13 years. Miss Cory was born in Manitoba and lived in Portage la Prairie before coming to Winnipeg and Eaton's. She has two sisters and one brother. She plans to live in Winnipeg and shares an apartment with another retired Eatonian. If her plans mature she will be taking a trip to Salt Lake City in the near future.

Miss Cory is an active Rebekah, having been Noble Grand of the Queen Esther Lodge in 1954. She is interested in coin collecting and reading.

On her retirement day she was presented by her department with a tri-light, a black hand bag and a chair and her decorated desk was covered with other small gifts from her friends and well-wishers. Good health and happiness is the wish for Hazel of all her friends and co-workers.

# 25th Anniversary

## MR. SYDNEY C. FLORENCE

Mr. Syd Florence, Books and Stationery Department, reached his 25th anniversary with the Company on Friday, July 29. He spent his first six months in Women's Shoes, moved to the Stock Audit for one year and then, in 1937 to M.O. Books and Stationery where he was shortly made Department Manager. In 1948 he came to the Store in the same departments, and when Mr. Bucham retired in 1953, Mr. Florence became Manager, which position he now holds.

He is married, has one son—a chemical engineer doing very well in New York, and a grandson one year old. He is a member of Niakwa Golf Club and also finds time to keep the lawn in order as Mrs. Florence is the garden fan.

Mr. Florence took his long holiday early, going to Japan, Hong Kong, Hawaii, Vancouver, Victoria and Vancouver Island last March. He took the full six weeks and recommends the trip as most interesting and enjoyable.

To avoid holiday absences, the department held a party on May 25 to celebrate this important anniversary. One hundred and sixty-eight people attended the dinner at the St. Charles Hotel and Mr. Florence was presented with a monstrous (his word) power lawn mower and patio furniture. His gift from the Company was a diamond ring. All the best wishes for good health and happiness go to Mr. Florence on this happy occasion.

## HONOURED ON THEIR RETIREMENT

### MRS. JOHAN GUNN

On the occasion of her retirement on Friday, July 29, Mrs. Johan Gunn, of Women's Garment Alterations Department, was presented with a beautiful Moorcroft lamp by her department. Her table was decorated and, during the day, many gifts were brought to her by her friends and associates.

Mrs. Gunn is a widow and has one married daughter and a grandson of five. She plans to make her future home in Winnipeg. In February she plans to travel to Australia to visit her four brothers and four sisters who live there—a six-month holiday.

The Orkney Islands is Mrs. Gunn's birthplace and she came to Canada to marry in 1922 and has lived in Transcona and Winnipeg since then. She has been in her present position for 12 years, working on coats and suits at first but on furs for the past ten years. Her hobbies include reading, knitting and travelling and she is very fond of music. She is a member of Westminster United Church, the Transcona Scottish Association and the United Scottish. All who know Mrs. Gunn join in wishing her many happy years and a very fine trip.

### MR. R. G. WILLIAMS

With 36 years of service in the Delivery Department to his credit, Mr. Reg Williams retired on Saturday, July 30. He is married and has two sons. Mr. Williams is an Imperial Veteran of the 1914-18 war and came to Canada in 1922. He was born near Stratford-on-Avon and is planning a trip back to England, probably next year. His hobby is breeding dogs, Labradors, and gardening, and he plans to continue to live in Winnipeg and keeping up these hobbies.

As Mr. Williams had been ill and was on holidays on his retirement date, his department management visited him at his home and presented him with a beautiful living-room chair, a token of the good wishes of his fellow-workers. We all join in wishing him a healthy, happy and long life in his retirement.

### MR. FRANK SCOTT

Mr. Frank Scott of the Printing Department retired on Friday, July 29. He had served with the Company for 41 years and all with the Printing. His department presented him with a blanket as a memento of this occasion.

Mr. Scott served with the American Engineers in the First World War before coming to Canada. He is married, has two daughters and three grandchildren. Fishing, gardening and travelling are among his interests. We know that he will have more time now to enjoy these pursuits and all his Eaton friends wish him many healthy, happy years.

### EATON WOMEN'S GOLF DAY

Monday, June 27 was a great day for the Women's Golf Club members. Approximately 100 arrived at the Assiniboine Golf Club at 1 o'clock, changed into golf clothes, and proceeded to the first tee where Mr. Brown, the club pro, gave a group lesson, complete with loudspeakers and microphone. It was necessary to run it through twice to accommodate all the players interested. This gave some of the more inexperienced a chance to listen in again—a very helpful procedure. After the lessons foursomes got together and played, some 9 holes and some 18. An hour of relaxation was followed by an excellent steak dinner. Appropriate prizes were then presented.

The pictures above were taken at the close of the afternoon and just before dinner. They speak volumes about the atmosphere of happiness and good-fellowship which prevailed. The weather co-operated, too, hot sun but a good breeze. All agreed that it was an outstanding day in the history of our golf club and that Marion Hewitt, our president, and her committee deserve great credit for the fine arrangements made and the great success of the event.

# Eatonians in the News

## SARA LEE FAERMAN

Miss Faerman, one of the girls of our Junior Council, received an award of \$650 in June, a scholarship from the National Council of Jewish Women for outstanding scholastic and leadership ability. Congratulations, Sara, and best wishes for continued success and achievement.

## SHE WINS A MASTER ANGLER AWARD

Mrs. Elsie Brownridge, Drapery Department, won a Master Angler Award. She caught a 9-lb. 9-oz. wall-eye (pickerel) in Rice River near Hecla Island, Lake Winnipeg, on June 15. For the fishing fans—she was using a Lazy Ike and an 8-lb. test line. Quite a distinction (for a girl—Ed.).

## AN OLYMPIC CHAMPION IN THE MAKING

Fred Heaton, 17, working as summer help in M.O. Shipping, tried out in both the 100-metre and the 200-metre breast stroke at the Olympic trials held here in mid-July. He didn't make it but we hope he works hard on the training and wins a place in the British Empire Games competitions in 1962.

Fred is going back for his Grade XII to Sisler High School this winter. He is the son of Herb Heaton of our Caretaking Department staff.

## OF INTEREST TO EATONIANS

Mr. Paul Chipman, well-known Winnipeg commercial photographer, is the Manitoba winner of the Eaton Provincial Award in connection with the Commercial and Press Photographers' Association of Canada National Print Show. This is the third time he has won the award. The picture shows Mr. Smith presenting the plaque to Mr. Chipman.

Don't miss the exhibition of over 200 prints entered in the competition to be shown in Eaton's later this month.

Mr. Ken Smith, Assistant Store Superintendent, and Mr. Paul Chipman.

We were all so happy on the third of June when the papers announced that eight-year-old Walter Sedor had been found alive and in fair condition. He had been lost in the wild country north of Flin Flon for 15 days after his uncle and father and he had crashed while on a fishing trip. Here is a happy sequel to the story, quoted from the Daily Reminder, the Flin Flon paper, brought to Contacts by Miss Dixon of the Photo Studio:

"A proud boy at the Trout Festival was 8-year-old Walter Sedor. At the opening ceremonies on Main Street, he was presented with a gold pin and watch from Premier Duff Roblin, on behalf of The T. Eaton Good Deed Club. The award is the highest in the Club."

Mr. Duff Roblin, Premier of Manitoba and Walter Sedor

A letter of unusual interest was received recently from Mr. George Bell, South Burnaby, B.C. This is what he says: "I congratulate you on your 55th anniversary of your opening. I worked three or four months on the Winnipeg Store building before opening day. I also remember opening day. I stayed on working until the sixth story addition was started in September. I was also all through the construction of the building but not on the Mail Order building.

"Eaton's new Burnaby building is about two miles due north of my home here. I do not think there will be many living now who worked on the Store before opening day."

We wonder, too, if many others remember this period of Winnipeg's history.

#### Department 144—By Kay Thomas

### Wages—By Rhoda Cummings

It's always a pleasure to welcome back Miss Jessie McNaughton and Miss May Mackay who have come in to help us out during the holiday season.

Winnie Anderson and son Campbell, of Victoria, B.C., surprised us with an all too short visit on July 6.

For those of you who were unable to take in the Rainbow Stage production of Pyjama Game, we suggest you ask Doreen McClure what you missed.

We're told that for an evening of sheer fun, you can't beat taking in one of the girls' ball games at Sargent Park. The Wages Office boasts three members of the Royals, namely Maxine O'Donnell, Lorna Dreger and Betty Hanson.

We hope Mr. Hughes and family enjoy that long holiday in California this summer.

### Department 1041—By Evelyn Hart

Beautiful flowers that give great pleasure—to both the growers and viewers alike—form part of the retirement plans of two ladies who have retired from Department 1041.

For Mrs. J. Gunn the flowers will be carried by her as a bride, for she plans to be married in August. Miss Kay Waywood, Department Manager, presented a lovely table lamp to the blushing bride-to-be and other gifts were presented by her many friends.

Mrs. Marguerite Cameron will spend her time making more beautiful, if that is possible, her already lovely flower garden. The department gift, a beautiful flower vase, was also presented by Miss Waywood. Other gifts, too numerous to mention, were also on display at the presentation.

The sympathy of the department goes out to Miss Helen Lemoine who recently lost her brother. Helen was able to go out to Edmonton for the funeral.

Retirement for Mr. Frank Scott came round on Friday, July 29, after 41 years of service. On this occasion Mr. L. Wimbale, after a brief expression of appreciation for service rendered over the years, extended good wishes on behalf of the department for many years of health and happiness, and presented Frank with the gift of a blanket and a little special remembrance from the girls.

Mr. Jimmy Murray after a few years of retirement, came down to be with his old pal and co-worker when he started his new venture of leisure time. Other retired members of the staff who came down to congratulate Mr. Scott and visit for a while were Mr. and Mrs. B. Williams who have just returned from a trip to Ireland and Mr. Lloyd Sturgeon who has been ill in hospital recently. We are pleased he was able to be out and around again. Mr. Preston Wiley, who has been in Deer Lodge Hospital and convalescing at home for some months, came down to add his congratulations. Nice to see him around again.

We were pleased to have Mr. Leonard Wimbale back with us even if it was just for a little while on Friday, to help start Mr. Scott off on a well-earned rest, as he starts his retirement. Best wishes, Mr. Wimbale, and we hope it will not be long till you will be back at your desk again.

Mr. Alex Speirs, a former member of this department, retired from the Murray Printing. Alex has been in Toronto since 1949.

Mr. Harry Chatterton, Florida; Mr. P. Heiland, Toronto; Mr. Dick Sugden, Vancouver, and Mr. Frank Kerr, Winnipeg, were in for brief visits.

George Young Celebrates 35 years' Service

Mr. George Young celebrated 35 years with the Company on July 21—all these 35 years being spent in the Delivery Department. Previous to joining the ranks of the Delivery Department, he spent his younger days as a farmer in Moosomin, Sask. It was on the farm that he became a lover of horses, so during the war years with shortage of gasoline and the Delivery returned to horses, George drove that pair of beautiful dapple greys, Cordite and Sallor, making deliveries to the downtown hotels. The same greys have been driven at many Manitoba fairs where they took prizes.

George is past president and life member of St. Alban's Men's Service Club, enjoys golf, bowling and hunting in his leisure hours. On the morning of his anniversary, Mr. McFadden presented him with an easy chair. Congratulations, best wishes and good health, and may you spend many hours of relaxation on that chair, Mr. Young.

## THE TELEPHONE'S BIG TEN

**Shopping by Telephone Is Becoming an Important Part of Retailing. Whether the Person "on the Other End of the Line" Is a Customer or an Employee in Another Department, Remember These Important Tips:**

1. When placing a call, stay on the line and be ready to talk when the called party answers.
2. Answer all your telephone calls promptly.
3. When answering your telephone identify yourself or your department.
4. Speak directly into the telephone in a warm, friendly tone of voice.
5. Be courteous in all your telephone contacts.
6. Transfer calls only when necessary and then be sure it's the right person or department.
7. Keep a pencil and pad convenient to the telephone.
8. If you must leave the telephone during a conversation, suggest a call back if you can't return immediately.
9. When away from your telephone leave word where you are going and approximate time of return.
10. Say "Thank You" and "Good-Bye" pleasantly and replace the receiver gently.

## The Confidence of our Customers is our Greatest Heritage

EATON'S of Canada has grown in size and importance on customer-confidence—on the faith the buying public places not only in the selections and values, but in the descriptions found in EATON'S Catalogues. One of the first steps in customer-confidence is the realization that what an EATON Catalogue says about goods and prices can be trusted, and that, from cover to cover, it is completely dependable. Should EATON'S have any doubt concerning claims of quality, the merchandise must be tested and the statements approved by our Research Bureau before the descriptions may be used. More important, perhaps, than anything else in establishing customer-confidence in EATON'S advertising is the policy laid down by the founder of the firm—"Goods Satisfactory or Money Refunded."
